explore  
learn together

 **May 4 - May 15, 2026**

**# RemakeDaysWV**

Join us for Remake Learning Days, a joyful celebration of hands-on learning in our community! Between May 4 and 15, we invite parents and caregivers to learn alongside their kids at events hosted by community partners across West Virginia. These partners include: libraries, parks, schools, tech centers, museums, after-school centers, non-profits, maker spaces, and more.

Be a part of a worldwide celebration where families are encouraged to be curious, explore new types of learning, and discover new passions — together!

Interested in becoming an event host?

It's easy!  
Just follow these steps:

**1** Submit your event at [RemakeLearningDays.org](https://RemakeLearningDays.org)

Event submissions are open! Submit your event by April 3 to be included in marketing and PR materials. Events should take place between our region's festival dates — May 4-15. Mini grants are available to support organizations looking to host and event. Apply by March 2.

**2** Share about your event and the festival to your network.

We'll provide various materials, including a social media kit and press template, to help you spread the word and encourage participation in your event and Remake Learning Days!

**3** Host an event and have fun!

Remake Learning Days is fun for the whole family! Open your doors and have fun at your hands-on learning event. Post about your event using #RemakeDaysWV so we can capture it in our social media report.

**4** Help us capture input.

We'll create a short survey to capture input from the families. Any data captured will be shared with event hosts. This information helps us strengthen our learning ecosystem across West Virginia.

Learn more and submit your event at <https://remakelearningdays.org/>
